To: The Commission

**APPLICATION OF
PCS PRIMECO, L.P. FOR MEMBERSHIP ON COUNCIL**

Pursuant to the Public Notice, released August 9, 1995, in the above-captioned proceeding (DA 95-1721), PCS PrimeCo, L.P. ("PrimeCo") hereby applies for membership on the North American Numbering Council and nominates Ms. Karen Mulberry, Technology Planner for PrimeCo, as its designated representative on the Council. In its Public Notice, the Commission discussed the important responsibilities of the Council, and set up procedures for membership on the Council, which is to consult on numbering issues and assure a balance/mix of industry, state, local and consumer interests are represented in numbering deliberations.¹ For the reasons stated herein, PrimeCo submits that it qualifies for membership, and it seeks appointment to the Council.

PrimeCo is a broadband PCS licensee, and was recently granted Block A/B MTA licenses in the following markets: Chicago; Dallas-Ft. Worth; Tampa-St. Petersburg-Orlando; Houston; Miami-Ft. Lauderdale; New Orleans-Baton Rouge; Milwaukee; Richmond-Norfolk; San Antonio; Jacksonville; and Honolulu. In implementing its PCS system, PrimeCo will be

¹ The Council will advise the Commission on numbering issues; select and guide a neutral North American Numbering Plan ("NANP") Administrator; apply Commission policy to resolve issues involving NANP administration; and conduct initial dispute resolution of issues. Public Notice at ¶ 1.

involved with numbering issues in a broad range of geographic areas covering a diverse population, and in areas where exhaust situations are present. PrimeCo, as a new wireless technology entrant, will bring an important perspective to Council deliberations. Numbering resource issues are critically important to the telecommunications industry, and PrimeCo is well-positioned to assist the Council in its efforts, and with reference to the special issues involved with wireless technologies and start-up companies.

Ms. Mulberry, the PrimeCo nominee, is Technology Planner for PrimeCo and, as such, is the employee responsible for representing PrimeCo and other wireless industry interests in regulatory and industry forums. Ms. Mulberry is currently participating in the activities of the Industry Numbering Committee. Her direct job responsibilities entail a particular emphasis on numbering issues. Thus, Ms. Mulberry will be able to represent the interests of wireless entities which have a clear stake in numbering issues. Information concerning Ms. Mulberry follows:

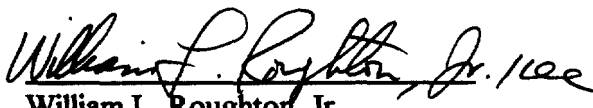

Ms. Karen N. Mulberry, Technology Planner
PCS PrimeCo, L.P.
6 Campus Circle
Westlake, TX 76262
(817) 962-7608 - Telephone
(817) 962-7904 - Facsimile
(E-mail information will be supplied later).

Ms. Mulberry and her employer, PrimeCo, hereby commit to actively participate in good faith in the objectives of the Numbering Council.

For the reasons stated herein, PrimeCo requests appointment to the Numbering Council and further requests that Ms. Mulberry be designated as the PrimeCo representative on the Council.²

Respectfully submitted,

PCS PRIMECO, L.P.
